FUNDING STRATEGY 2024 – 2030

Increasing community
wellbeing by removing
barriers to learning

Connected and educated children and young people

Removing barriers to enable 8 to 19 year olds to stay engaged with and connected to learning:

- Innovative solutions to support the continued engagement of children and young people (8-19 year olds) with learning
- Enabling 8-19 year olds to transition between the learning stages (primary to secondary, secondary to college, college to TAFE, Uni, work)
- Increasing the digital literacy and access of 8-19 year olds and enabling their families to support them
- Collobarative community solutions that increase literacy and numeracy including financial literacy of children and young people (8-19 year olds)
- Community solutions that increase happiness, wellbeing and resilience of children and young people (8-19 year olds)
- Ensuring every 8-19 year old has access to at least one nutritious meal a day at school, home or in the community
- Increasing the number of 16-19 year olds with pathways to employment
- Increasing the capacity of employers to engage young people in employment

Capable and well-led communities

Increasing the capacity and capability of organisations and communities across Tasmania:

- Advocating for the needs of young people (8 to 19 year olds)
- Increasing the leadership capacity and capability of children and young people
- Increasing strategic and long-term thinking of communities and community organisations
- Increasing community capacity
- Increasing local community leadership capacity
